- 4.7 Inspection fee shall be made to NPRA at least 2 weeks before date of Pre-Inspection.
- 4.8 Pre-inspection will only be conducted on Test Facilities once the inspection fee received. However, the Pre-Inspection may be conducted within 30 working days if there is any unforeseen circumstances.
- 4.9 The Pre-inspection shall be conducted by the inspector(s) from NPRA who may be accompanied by experts from various fields. Inspection duration may vary, depending on the scope and size of the test facility.
- 4.10 Test Facility shall be notified prior to the date of the Pre-inspection.
- 4.11 The Test Facility must have at least one completed GLP-compliant study per area of expertise before the Pre-inspection. This study will be used as the basis for the Pre-inspection.
- 4.12 Inspection will be conducted on Test Facilities once the corrective actions in the PreInspection have been addressed satisfactorily. NPRA shall issue Certificate of GLP
  Compliance to Test Facilities if it has satisfied OECD GLP Principles. The Test
  Facilities shall then be included in the NPRA GLP Compliance Monitoring Program.
  The Surveillance inspection will be conducted annually for the first two years and
  subsequent surveillance inspections in every two years, at least 4 months from the
  date of compliance certificate expires.
