

DRUG CONTROL AUTHORITY MINISTRY OF HEALTH

TERMS OF REFERENCE

The Control of Drugs and Cosmetics Regulation 1984 was gazetted in June 1984. As provided for by the Regulation, the Drug Control Authority (DCA) was established in June 1985 with the National Pharmaceutical Control Bureau (NPCB) serving as its Secretariat.

The DCA is a eleven-member executive committee chaired by the Director-General of Health and comprises of the Senior Director of Pharmaceutical Services, the Director of NPCB plus eight other appointed members including a consultant physician in public service, a pharmacist in public service, three persons from any local universities with expertise in pharmaceutical sciences and two fully registered medical practitioners and a veterinary practitioner in the public service. The Secretary is a pharmacist from the public service.

Members are appointed by the Minister of Health for a period of three years but they are eligible for re-appointment. Any appointment or suspension or termination of membership shall be published in the *Gazette*.

The main objective of the DCA is to ensure that pharmaceuticals, marketed in Malaysia are safe, efficacious and of quality and that the traditional medicines, health and personal care products are safe and of quality.

TERMS OF REFERENCE

The Drug Control Authority (DCA) is a body set up under the Control of Drugs and Cosmetics Regulation 1984 and as such its responsibility, role and mandate are defined by law. DCA provides the general principles of safety, quality and efficacy that form the basis for the evaluation and eventual registration of products.

1.0 ROLE AND MANDATE OF THE DCA

The DCA is empowered by law to:

- (i) review matters related to PRODUCT REGISTRATION
- (ii) consider recommendations proposed by Secretariat and
 - register any product subject to such conditions as it may impose
 - reject any application for the registration of any product
 - grant exemptions
 - issue such certification required by any country importing such a product
 - suspend or cancel registration of any product
 - make decisions related to REGULATORY POLICIES
- (iii) Maintain a register of the products registered
- (iv) Impose REQUIREMENTS for registration of products
